

We shall today's fable about it, what us nearest futures. Yes, you nap that a this year's spring that the will realize in Brno Saturday 20. April, there, what year, then at a restaurant against fairground. Likewise fairground will meeting

start ours waits in well, is meeting on was last Voronez, on collectors

and we come down in 12.00 o'clock. Withal everything you will learn at last issue reporter that, what him you get electronically already have and in paper form him get this week. I only supply, that the enjoy you can on lecture Peter Osuský and isn't outcast nor present guest meeting that the would to chat and to grader could be Joan Matura. Reason is simple, he is namely depict on slogan postmark, which will be used on a day meeting, yes, read well at the post-office in Prague 6 in Dejvice. It therefore, that the conditions for form in Brno us leave much to be desired, so that already canceled dispatches to the Brno take. In novelty service is of course get. So that **in Brno see you later!!**

**NEW REPORTER**

Already we're started it, that the new reporter is on world, again is for you prepared a lot of novelties, so that certainly will you come on it's. Namely yet you doesn't know, that the in next issue will next round our written sale, so that it also you can please.

**NEWS STAMPS**

Already am betrayed, that the will on slogan postmark to meeting Jan Matura, in this year's season successful jumper on skis and add, that the both stamp to WCH in biathlon supports yet stamp third, this time like meter postmark, with Gabina Soukalova. Both stamp at the same time remind, that the near Soci, to the whose

there is left, how count up Jan Petras, straight 300 days. Further we can wait new stationery card of Czech post to mention 50 years from famous football final CSR – Brasile in Chile and in soccer. Perhaps will lead rubber stamp too. To other rubber stamp celebrate also anniversary foundation Czech Olympic academy thereby get at last hereto, what me led to writing of today's online. Small celebrations are prepared for this jubilee on October and till then want to prepare edition book **Olympic academy to Mine** on her along with **Pavel Hladík** and for Olympsport friends now occurred time, gear thereinto and you, OS as well..About what is running? About this... International Olympic academy based in Lausanne regularly since 1967 each year meeting young interested about Olympic motion. To everyone of these meetings is commemorative postmark.. In the meantime is keep at disposal all the from years 1967 as far as 1984. Unfortunately from period 1985 – 2012 to us them substantial majority is missing. We assume, that the in your collections them but most exists. That is why we turn up to you with request about their lend or transmission scan, or xerox copies. You will identify is easily after hereof text in Greek.

philately. and his members

arranges persons used one's

**OEYMDIAKHO**

**AKAAHMIAO**

Then please, don't hesitate, find if Greek stamp herewith in letterpress from years 1985 – 2012, please xerox or scan and dispatch to Cesky Brod.. Alternative part request have to do with meter postmarks, which use some way national Olympic committees for sending his post. These are largely Czech, Slovak and Italian committees. First two have we enough documented, but Italian NOV and all other are for us interesting. if have you got their matters, handle with them as with sessions of the NOA. We believe, that the good work succeed and already please wait on your pictures.
